A hand-drawn sketch of a mobile contact page in portrait orientation. The page is enclosed in a rectangular border. At the top, there is a wavy line representing a header or separator. Below this, there are three navigation links: "Home", "About me", and "Adventure". Under "Home" is the word "Services", and under "Adventure" is the phrase "Contact me". In the center of the page, there is a smaller rectangular box, also containing a wavy line at its top. Inside this box, there are three input fields: the first is labeled "Name:", the second is labeled "Email:", and the third is labeled "Message:". Each label is followed by a horizontal rectangular box representing the input area.
